Town of Oshkosh

Public Hearing – June 9, 2008 - 6:45 p.m. – Town Hall

PRESENT: Chairman Gerald Frey, Supervisor Carol Kaufmann, Supervisor Jim Erdman, Treasurer Maribeth Gabert, Clerk Jeannette Merten and audience of 13.

Chairman Frey called meeting to order at 6:47 p.m.

Chairman Frey read the Orders adding properties into the Town of Oshkosh Sanitary District regarding the Walter properties. Reason for sanitary district boundary change was because of the Hwy 41 overpass off of Snell Road, Bob Walter has to move the location of his house. In order to do so, his father Kenneth Walter offered more land to make it possible, therefore a certified survey map was needed to re-draw property lines. The Town was notified by Winnebago County that they would halt the process because properties are part-in and part-out of the Town of Oshkosh Sanitary District due to their subdivision ordinance. Therefore, the Town had no choice but to go through the boundary change process.

There were no objections or comments received on the matter. The attendees at this hearing were early arrivals for the regular town board meeting following this hearing.
